SUPERPOWER SCIENCE: THE SUPERHUMAN BODY (HARDBACK)

To download **Superpower Science: The Superhuman Body (Hardback)** PDF, make sure you follow the web link below and download the ebook or get access to other information which might be highly relevant to SUPERPOWER SCIENCE: THE SUPERHUMAN BODY (HARDBACK) book.

Hachette Children's Group, United Kingdom, 2018. Hardback. Condition: New. Language: English. Brand new Book. What if you could be immortal or have super senses or read minds? You'd be a superhero! BUT are these superpowers feasible in the real world? Superpower Science: The Superhuman Body tells you all about the reality of these superpowers when looked at through a scientific lens. The series Superpower Science focuses on the superpowers commonly associated with superheroes and reveals just how scientifically realistic they could be to us mere humans. Each title focuses on four superpowers and explains which science principles would come into action if the superpower existed and what effect these science principles would have on the body. The comic book format and vintage-looking colourful illustrations paired with quirky and humorous explanations turn what would be considered by many as dry physics principles into high-interest exciting books. By pointing out the physical limitations of superpowers, the series aims to fix them, not crush children's dreams but inspire them to be interested in science. Perfect for reader aged 9 and up.
