Tt Publishing Group, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The Ultimate Guide to Minecraft Survival! While learning the ins and outs of the Minecraft gameplay is easy but truly thriving in the Minecraft world, mastering all the little things and becoming a true survivor is not. There are so many facets to the game and so much depth that while everyone plays and enjoys the game, not everyone has knowledge of the amazing possibilities. There are little known tips and tricks and sometime tested wisdom accrued by veteran players that not everyone is privy to. With this guide you will learn all this and more. Not only will it make you enjoy the game more, but it will also let you become the master of the Minecraft world. A survivor who can get through any hardship be it a Zombie invasion in the middle of the night or a Creeper ambush where you least expect it. Or if you are playing on a SMP server with open PvP combat, this guide will even help you get the upper hand there. In all this, the guide does assume that you have a basic working knowledge of the game and know the simple things like crafting weapons and building simple bases. So whether you are just a casual player looking for a fun time, or a hardcore gamer looking to be the next Bear Grylls of the world of Minecraft, either way, I am certain you will find this guide a fun and informative companion through your days in the enchanting world of Minecraft.
