

Arts of Southeast Asia (Paperback)

By Fiona Kerlogue

Thames & Hudson Ltd, United Kingdom, 2004. Paperback. Condition: New. Language: English. Brand new Book. A comprehensive and up-to-date introduction to the region's arts and culture. The pagodas of Burma, the temples of Angkor, the great Buddhist monument of Borobudur - these achievements are a familiar part of a broad artistic tradition that includes textiles, sculpture, vernacular architecture and village crafts. Now, local artists are embracing new subjects and media as the area opens up to world travel and communication. Covering Brunei, Burma, Cambodia, Indonesia, Laos, Malaysia, the Philippines, Singapore, Thailand and Vietnam, Dr Kerlogue examines both the roots and recent development of the arts of this distinctive region, tracing the reflection in the arts of indigenous beliefs and world religions - Hinduism, Buddhism, Islam and Christianity - from prehistory to the present day. With a glossary of names and places and cues to further reading, the book is ideal for students, expatriates and travellers.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
