## YOUR MARKETING SUCKS (HARDBACK)

Random House USA Inc, United States, 2003. Hardback. Condition: New. Language: English . Brand New Book. Your marketing sucks . . . What in the world does Mark Stevens mean? Just turn on your TV set and there are all the look-alike ads from Ford, GM, and Chrysler with look-alike cars going down . . . a road. Creative? Probably yes--nice scenery, good-looking people, etc., etc. But effective? Mark Stevens says absolutely not. Like you re going to spend \$30,000 or more for the privilege of seeing a car go down . . . a road? They shouldn t be in the business to win ego awards for beautiful ads. They should be creating ads that sell. Period! If they talk about building mind share, fire them immediately as well. That s just another way of saying they ll camouflage their failure to generate sales behind an intellectual smoke screen. Mark Stevens is the best friend of anyone with a product or service to sell who wants to use marketing as a basis for growing the business. What he provides both entrepreneurs and Fortune 500 types is a hard-nosed,...
