KATE: LOYAL WIFE, ROYAL MOTHER, QUEEN-IN-WAITING (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Kate Middleton appears to have it all. She's a beautiful princess, has a handsome prince, and now a bonny baby and future heir. Is her life a fairytale to behold? The British Royal Family has undergone a resurgence in popularity in recent years. At the time of the death of Diana, Princess of Wales, confidence in the monarch, Queen Elizabeth, and her monarchy, was at an all-time low. But with lessons learnt, and a new generation of young Royals emerging, interest in the Royals is now on the up. KATE: Loyal Wife, Royal Mother, Queen-In-Waiting responds to that interest. Kate, now the Duchess of Cambridge, is the woman responsible for bringing the interest and attention back to the British Royal Family. Following her marriage to Prince William, and the birth of their first child, Prince George, and now with another baby on the way, the public once again feel like they have a "People's Princess" in their midst. In KATE: Loyal Wife, Royal Mother, Queen-In-Waiting, find out who Kate is, where she comes from, what her family are like, how she met her Prince and what lies ahead of them in our behind-the-scenes look at this corner of the House of Windsor. You will learn about: Her childhood Her courtship with Prince William Inside facts about their wedding Her role as mother of Prince George How she has built on Princess Diana's legacy And much, much more This is all presented in a rapid reading format so that you can absorb it super-quick. This isn't your average royal biography. Learn all you wanted to know about Kate by reading this book. Grab your copy of KATE: Loyal Wife, Royal Mother, Queen-In-Waiting Right Away!.
