I am so sorry about the misfortunate happenings in your home." "I am afraid I don't really follow Mrs. Reese. What on earth are you talking about?" "You know what I am driving at with all of this. You know that I am trying to tell you that your house is being haunted for a fact. Just make it a point of looking into it." Gabby paused for a while and thought that it was the best time for her to sip on the cup of sweet tea that Mrs. Martha Reese had given to her. She still didn't understand why it was very important for her that gabby started taking the investigations with a pinch of salt. But still, she didn't find any damn thing that was tangible enough to give her a reason to go after the mysteries. "You know I don't have any evidence that will compel the force to start a background search for this so called mystery. What do you want me to do?" "I want you to do your job. That's all I want you to do at the moment." Gabby took another sip from her cup. It was clear that Martha Reese had a personal attachment to the house. and also, it seemed as though she knew a couple of things that gabby didn't. will she pursue the truth about the house or will she choose to ignore her? Keep on reading to unravel the mystery.
