Elsevier - Health Sciences Division, United States, 2016. Hardback. Condition: New. 6th Revised edition. Language: English. Brand new Book. Find the health career that's right for you! Health Careers Today, 6th Edition offers a practical overview to help you make an informed decision in choosing a profession. Not only does this book discuss the roles and responsibilities of various occupations, it provides a solid foundation in the skills that each health career requires. Clear explanations of anatomy and physiology provide essential knowledge of the human body and show how A&P applies to different careers. From experienced educator Judith Gerdin, this edition adds three new chapters, and an Evolve companion website includes new health career videos, animations, exercises, and more. A clear, easy-to-read approach makes it easy to explore and understand health career options. Over 45 health careers are discussed, including the requirements and roles and responsibilities of each. Full-color photographs, drawings, and design illustrate concepts, techniques, and equipment. Anatomy and Physiology unit covers all of the body systems, and applies A&P to various career settings. Skill Activities provide the opportunity to obtain hands-on experience. Review questions and critical thinking questions in each chapter allow you to test your understanding of what you've learned. Brain Bytes reinforce concepts and keep you engaged in the material. Health Careers in Practice boxes show working professionals in many health careers, featuring personal stories that you can relate to. Objectives and Key Terms at the beginning of each chapter focus on the key information to be learned. Chapter summaries make it easy to identify and review key content. Updated National Health Care Skills Standards are summarized with the specific number and name of each national standard covered in that chapter, along with page references. A glossary includes all key terms and definitions for quick reference. Evolve website provides exercises, new career videos, animations, and competency...
