

The Serpent and the Pearl: A Novel of the Borgias (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

Penguin Putnam Inc, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. A gripping novel about history's most infamous family--The Borgias--and an innocent girl pulled into their treacherous rise to power, from the New York Times bestselling author of *The Alice Network* and *The Huntress*. Rome, 1492. The Holy City is drenched with blood and teeming with secrets. A pope lies dying and the throne of God is left vacant, a prize awarded only to the most virtuous--or the most ruthless. The Borgia family begins its legendary rise, chronicled by an innocent girl who finds herself drawn into their dangerous web. Vivacious Giulia Farnese has floor-length golden hair and the world at her feet: beauty, wealth, and a handsome young husband. But she is stunned to discover that her glittering marriage is a sham, and she is to be given as a concubine to the ruthless, charismatic Cardinal Borgia: Spaniard, sensualist, candidate for Pope--who is passionately in love with her. Two trusted companions will follow her into the Pope's shadowy harem: Leonello, a cynical bodyguard bent on bloody revenge against a mysterious killer, and Carmelina, a fiery cook with a past full of secrets. But as corruption thickens in the Vatican and the enemies begin to circle, Giulia and her friends will need all their wits to survive in the world of the Borgias.
