## FIFTH DIMENSIONISM (PAPERBACK)

AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. By the small presentation this book represents in much deference to all of our histories. Owing much to all of our own racial, ethnic, clannish, colour or tribal gatherings, whom from each group we have been delivered with giant shoulders to stand upon, because we alone in the universe are the single species to have aspired! How is the answer as now is the answer. Standing on the edge of the future is the image we all must create, but spread from hope and purpose, over the affliction of desperation, depression, destruction or despair. From all of our heartfelt good intentions of trying, we have always lacked the emotion of feeling good about ourselves collectively; and in trying to make such moves, had until now fallen into the trap of self importance, through the source of how our single species is made up, by tribe, clan, colour or racially? Without distraction, the core of our problems are openly expressed through our own United Nations gathering. I have not said format, because that is still in the making, in time the United Nations will fit the plan of its original intention. But only if to turn and face the mirror to see the reflection, United species! And to put that image in view has to come from our Nation per Nation change, of at first attitude and secondly realisation. For our first key to fit the lock we have to join in compliance with what we in species have been doing since the year dot, progressing? The second key trips the lock in knowing of our efforts above chance to understand purpose far exceeds procreation! Both to have exposed our position to be different than the vast collection of...
