Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. With statistic on marriage, it is safe to say, you have to be prepared to not be part of the statistics. God offers a different foundation and knowledge to building a loving home. It is laid out: - You as person - You as a wife - You as a mom - You as a woman of God. Your mom is your first ministry, and it is always a good place to enact your anointing and calling. This book focuses on the power and the role of a woman to raise a godly family. More importantly to understand the of one the most important calling God has placed on women. Like Esther, we are wise to know that we should prepare as we step into the office, and that is exactly what this book is; a guide walks you through, keeping you fully prepared, God's way!
