Booksurge Publishing, United States, 2009. Paperback. Condition: New. Language: English. Brand new Book. Dream Campus begins in the midst of a soft African dawn, where an unnamed young man slips away from his home to revel in the stirring beauty of the morning. His story unfolds over the course of fifteen "movements," carrying him away from his ancestral home and across the oceans to England and America. He becomes engaged in the carefree lifestyle of a college student, building friendships, attending class, and generally enjoying the energy of youth. But when chaos explodes in his beloved homeland, he can only watch helplessly from thousands of miles away as violence rages across television screens. Torn between his loyalty to the land of his birth and his anticipation of the opportunities awaiting him, he struggles to find his way. In this novel-in-poetry, John Otim's verse is crisp and lyrical, effortlessly transporting readers over the hills and deserts of Africa to the stately avenues of England and back again.
