AGILE AND ITERATIVE DEVELOPMENT COMPLETE SELF-ASSESSMENT GUIDE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. To what extent does management recognize Agile and Iterative Development as a tool to increase the results? Is the impact that Agile and Iterative Development has shown? What will drive Agile and Iterative Development change? What is our Agile and Iterative Development Strategy? What management system can we use to leverage the Agile and Iterative Development experience, ideas, and concerns of the people closest to the work to be done? Defining, designing, creating, and implementing a process to solve a business challenge or meet a business objective is the most valuable role. In EVERY company, organization and department. Unless you are talking a one-time, single-use project within a business, there should be a process. Whether that process is managed and implemented by humans, AI, or a combination of the two, it needs to be designed by someone with a complex enough perspective to ask the right questions. Someone capable of asking the right questions and step back and say, 'What are we really trying to accomplish here? And is there a different way to look at it?' For more than twenty years, The Art of Service's Self-Assessments empower people who can do just that - whether their title is marketer, entrepreneur, manager, salesperson, consultant, business process manager, executive assistant, IT Manager, CxO etc. - they are the people who rule the future. They are people who watch the process as it happens, and ask the right questions to make the process work better. This book is for managers, advisors, consultants, specialists, professionals and anyone interested in Agile and Iterative Development assessment. All the tools you need to an in-depth Agile and Iterative Development Self-Assessment. Featuring 618 new and updated case-based questions, organized into seven core...
