

The Hague Odyssey: Israel's Struggle for Security on the Front Lines of Terrorism and Her Battle for Justice at the United Nations (Hardback)

Filesize: 1.97 MB

Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.

(Dr. Grady Jacobi DDS)

THE HAGUE ODYSSEY: ISRAEL'S STRUGGLE FOR SECURITY ON THE FRONT LINES OF TERRORISM AND HER BATTLE FOR JUSTICE AT THE UNITED NATIONS (HARDBACK)

Bartleby Press, United States, 2016. Hardback. Condition: New. Language: English. Brand new Book. When the State of Israel came into existence in 1948, its very legitimacy as a nation was immediately challenged, often by the same people who questioned the rights of the Jewish people to live at peace on their own land. Yet since its independence, Israel has stood out as a nation with a truly democratic form of government surrounded by countries and peoples mostly ruled by tyrants and despots. This has led to wars, border skirmishes and other assaults against Israel. This reached a pinnacle with the steady terrorist assaults against innocent civilians known as suicide bombings. Instead of condemning these attacks, many ignored the inhuman brutality or even worse, glorified the Palestinian Arab perpetrators as martyrs. One of the favored forums for attempts to isolate Israel is at the United Nations. Rather than empathy for the Jewish victims of terrorist attacks, the UN has repeatedly excoriated Israel for its actions toward the Palestinians, ignoring the fact that most of the Palestinian people lived in areas controlled by their own Arab leaders. As a result of the onslaught of the Second Intifada, Israel planned and began the construction of a terrorism prevention security barrier. Built roughly between Israel and the Palestinian territories, Israeli leaders made clear that it was not an attempt to create a border and preempt negotiations, but solely for the purpose of defending and protecting her people. There have been a number of objections from Palestinians, with support from some Israelis, who felt that they were unduly burdened by the barrier. Many of these complaints were lodged with Israel's vibrant and independent court system. Instead of rubber-stamping decisions, courts looked at each situation and in some cases have ordered that the route be changed...
