Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. The book begins like this, In my younger days in Canada I got into a lot of fights. Then as time went on they became fewer and fewer. Since I came to Israel in 1982 I've only had two. At age 74 you'd think I would be past that stage but you never know where there might be need for another one. I don't recall ever fighting unless there was a good reason. A. J. Weberman, 70, resident of New York City, wife-beater, drug dealer, money-launderer, and all-round louse is causing trouble for Judyth Vary Baker, former girl friend of Lee Harvey Oswald, who was framed for killing the president, John F. Kennedy, in 1963. This would be none of my business but Weberman claims to be associated with the Jewish Defence Organization. I don't know what that is exactly. I do know that there are a billion anti-Semites in the world and Judyth Baker is not one of them. If you are representing an organization that is supposed to be standing up to anti-Semites and are targeting a philo-Semite as Weberman is doing for no reason, then you are not part of the solution but part of the problem, as Eldridge Cleaver once said following Charles Rosner following an old African proverb. Weberman is not in the class of an arch-traitor like Vanunu or an arch-criminal like Madoff who are transcendent disgraces to the Jewish race and who deserved to be locked away for many years. But he has to be put in his place in a fair fight, which is face down on the ground after having his nose broken and his teeth knocked out. I am challenging Weberman to a bare-knuckles match...
