COLLECTIVE MANIFESTATION: HEART-CENTERED BLUEPRINTS FOR CREATING INTENTIONAL COMMUNITY (PAPERBACK)

Golden Torus, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Collective Manifestation is part practical self-help guide, part inspiring social-change manifesto, part experiment in consciousness, designed to help individuals, groups and teams (online and off) to expand their vision and potential, while contributing to evolutionary manifestations of love, peace and plenty around the globe. This book is a game changer! We are at a pivotal time in human history in which heart vision is paramount. No longer is there a division between our inner self and outer self. And, how that truth is being expressed in the world, and changing everything for the better, is a remarkable story! Collective Manifestation takes community development to an entirely new level by identifying the primary energy shifts inspiring people to connect in newly collaborative and creative ways. And, it offers practical exercises designed to help groups and team align their values and needs, and identify their primary focuses for a cohesive foundation to action. For fans of the law of attraction, the 11 keys to collective manifestation reveal the essential components to becoming a conscious force for good. It's important to understand all stages of manifestation - both the unseen realm of intention planting and idea germination, and the seen realm of physical manifestation. The book shares five empowering intuitive processes that enable you to play with co-creation in the invisible realm of manifestation, rather than merely reacting to surface life conditions. Collective Manifestation is organized to facilitate the cohesive creation of online and offline intentional communities that will positively impact the reality we live now and in the future. This is an ideal guide for any individual seeking clarity about their values and needs, and how they can meaningfully contribute by aligning with others who share their values. Step-by-step,...
