THE MIND AND THE MACHINE (PAPERBACK)

CASCADE BOOKS, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Are humans just complex biochemical machines, mere physical parts of a causally closed materialist universe? Are we approaching the so-called "Singularity" when human consciousness can (and will) be downloaded into computers? Or is there more to the human person--something that might be known as soul or spirit? As this book makes clear, the answers to these questions have profound implications to topics such as heroism, creativity, ecology,...
