**THE CONTEST WITH CONTEXT: THEORY AND MILITARY INNOVATION
(PAPERBACK)**

Biblioscholar, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. This study investigates when and how military innovation occurs and what significant historical lessons can inform innovation in the United States Air Force. Theories that emphasize conflict relationships, culture, and structure are reviewed and four working hypotheses emerge. First, context matters most. Second, the organization's culture must tolerate debate and accept the challenge of change. Third, politically-adept, change-oriented leaders must emerge at multiple strata within the organization. Fourth,...
