

## The Elephant in the Room: A Journey Into the Trump Campaign and the Alt-Right

By Jon Ronson

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. But Hillary is a known Luciferian, he tried. She s not a known Luciferian, I said. Well, yes and no, he said. In *The Elephant in the Room*, Jon Ronson, the New York Times best-selling author of *The Psychopath Test*, *Them* and *So You ve Been Publicly Shamed*, travels to Cleveland at the height of summer to witness the Republican National Convention. Along the way he reunites with an old acquaintance - the influential provocateur and conspiracy talk-show host Alex Jones - who draws him, unexpectedly, into one of the most bizarre presidential campaigns in American history. From the private Winnebago where conspiracy theorists and fearmongers discuss key campaign decisions to a chance encounter with notorious political operative Roger Stone, Ronson s picaresque journey into Donald Trump s atmosphere introduces us to the people who orbit the campaign machine and discovers what makes them tick - and what ticks them off. Whimsical, hilarious and often downright terrifying, *The Elephant in the Room* captures a defining moment in our time as only Jon Ronson could see it.
