

Diana Palmer Morcai Battalion: Books 2-3: The Recruit Invictus

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe. (Newton Runolfsson)

DIANA PALMER MORCAI BATTALION: BOOKS 2-3: THE RECRUIT INVICTUS

BRILLIANCE AUDIO, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. THE RECRUIT Three years after the unprovoked attack on a peaceful colony, the war between the Rojok dynasty and the Tri-Galaxy Fleet rages on. Born of that war is the Morcai Battalion, a fleet comprised of Centaurians and humans--the first collaboration of its kind and a step toward an intergalactic alliance. But the fragile union is tested as their courageous commander in chief, Dtimun, is faced with the temptation of the forbidden--and human--Dr. Madeline Ruszel. A combat surgeon, Ruszel is aware of the danger of inciting a Centaurian s interest, even if he is the most intriguing of men. Besides putting their mission at risk, personal relations between their kinds are still outlawed. But a prophecy that touches on both their lives and the future of all alien nations hints that a greater unity may be theirs for the taking if they, and their crew, survive in the battle for peace. INVICTUS For almost three years, Dtimun, the enigmatic and mysterious Cehn-Tahr commander of the Morcai Battalion, has been at war not only with the Rojok Dynasty.but also with his feisty medical chief of staff, Dr. Madeline Ruszel. Now a surprising visitor from the future has charged them with the rescue of the enemy, field marshal Chacon. To ensure success, both Madeline and Dtimun must make personal sacrifices and attempt a dangerous mission behind enemy lines. Sparks fly as each twist and turn throws them closer together than they ve ever been before, but can they resist acting on desires they have long denied? If their plans are discovered, they face exile by their own governments and possibly even execution. If they do not act, the future will see the end of civilization itself.
