## THE ART OF FEMALE PLEASURE (PAPERBACK)

Booksurge Publishing, United States, 2007. Paperback. Condition: New. Language: English. Brand new Book. Want to Really Satisfy a Woman? Then read on. Based on empirical evidence, women in same sex encounters report more pleasure and satisfaction. According to the groundbreaking Shere Hite report on Female Sexuality (described as one of the 100 key books of our time by the Times) 52% of women in the UK ALWAYS orgasm when with a woman!! In Australia and New Zealand that's even higher! 60 % and 61% respectively. Furthermore when asked 'are you curious or would you like to try a sexual relationship with a woman'. . 71% of UK women said yes! And in Australia and New Zealand its 78% and 80%. Furthermore ancient texts advocate the immense sexual potential of women, in fact in 15AD a spiritual leader in the East declared that when God was giving out sexual desire one tenth went to men, and a whopping nine tenths went to women! Through it all, one truth has remained - women inherently know how to please and satisfy women in a way that, until now, has received little recognition. The Kama Sutra, Ananga Ranga, The Perfumed Garden, and The Tao have all touched upon these areas, but none have fully explored the process and learning to be gained by women who love women. Intense desire, coupled with a not so fulfilling bedroom life, means a tide of sexual frustration sweeping many women! However the situation is not as bleak as it seems. In discussions with numerous bisexual and lesbian women a number of factors have been isolated which may hold the key to bringing pleasure and satisfaction to many women. -Develop a great appreciation of your partners body. Large, small, simply show your appreciation in words or touch, make her...
