## MANY TRAILS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. "Many Trails" is a short story of one man's trails. As with any man, his like takes him on different trails. On those trails he comes across many people in many situations. Our story takes place in the late 1800's in the Arizona Territory, a land claimed by two different peoples with different ways of life. The white man wants the land to settle it for farming, ranching and mining. And the Indians want to keep it as their free open country to roam and hunt where they pleased. It was a violent and cruel time, but also a time in which some showed compassion and love. This is the story of one man caught up in the times and also caught up in his love for a young Indian girl. Ride along as Garrett Marshall tries to maintain his honor among all men and make a life with the Apache girl he loves, Santana.
