Moses Apostaticus, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Western societies today are under attack from traitors inside our borders and barbarians outside them. Neo-Marxist identity politics has a stranglehold on our education systems, creating an establishment that hates its own people and cares nothing for the traditions, faith and heritage of our ancestors. The cultural Marxist agenda of anti-white, anti-male and anti-Christian hatred has been advancing now throughout our societies since the radical New Left took control of our universities in the 1960's. This is why our culture is progressively becoming more degenerate. It is not happening automatically; it is happening as part of a concerted campaign to destroy the foundations of Western civilization and create a globe of passive, docile slaves to the globalist elite. The effects of this agenda are everywhere. Degeneracy and perversion are celebrated...
