

## Principles of Retailing (Hardback)

By John Fernie, Suzanne Fernie, Christopher Moore

Taylor & Francis Ltd, United Kingdom, 2015. Hardback. Condition: New. 2nd New edition. Language: English. Brand new Book. Retailing is one of the biggest and most important sectors in today's economy. Graduates who are seeking a career in the sector will therefore require a solid knowledge of its core principles. The Principles of Retailing Second Edition is a topical, engaging and authoritative update of a hugely successful textbook by three leading experts in retail management designed to be a digestible introduction to retailing for management and marketing students. The previous edition was praised for the quality of its coverage, the clarity of its style and the strength of its sections on operation and supply chain issues such as buying and logistics, which are often neglected by other texts. This new edition has been comprehensively reworked in response to the rapid changes to the industry, including the growth of online retail and the subsequent decline of physical retail space and new technologies that improve customer experience and help track consumer behaviour. It also builds upon the authors' research over the last decade with new chapters on offshore sourcing and CSR and product management in addition to considerable revisions to existing chapters...
