Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. "Fun! Artistic! Great Writing! Cool Images!" Have you ever been on a dark country road, face to face with one of the evil undead, and had no idea how to defend yourself? Well, probably not if you're still alive and reading this. Finally, there is a book that very concisely and very quickly teaches you how to defend yourself and others against Vampires, those annoying, smelly creatures of the night. With photos, tips and tricks to get the upper-hand in a Vamp attack, "How to Kill Vampires because they are unnatural jerks" gives you the fundamentals you need to survive a supernatural encounter with a blood-sucking scumbag. CRYSTOBAL, Vampire Hunter, Gothic Artist and creator and purveyor of the modern-day primitive-style Vampire Killing Kit, has been hunting and dusting vampires for five decades (he looks a lot younger than he is). With skills honed in the field, and years of research into the lore, legend and lives (er, eh, deads?) of Vampires, CRYSTOBAL is now passing on his ultimate secrets and experiences to the public in this very cool, full-color book. Written by Amazon best-selling author Christopher Pinto (Bill Riggins Paranormal Mystery Series) as dictated by CRYSTOBAL, this book covers everything one needs to know, whether you are an aspiring Vampire Slayer or just some average Joe (or Jill) who is sick of Vampires screwing up your evening plans. This book highlights all the important aspects of finding and killing the undead: Stakes, Crosses, Silver, Garlic, Homestead Locations, Vampire Hangouts, Rock Salt, Holy Water and more, plus a special section on the use of CRYSTOBAL's Vampire Killing Kits, and several methods to thwart a Vamp attack and turn the tables on the night-stalking twerps. In addition, there are...
