From peaks to valleys without food, water or supplies. Through the hardship and difficulty this adventure brought two friends face to face with the elusive Bigfoot! I explain the details of our trip as well as the friends and family involved and how it all led up to the encounter. This was a life altering experience that had a profound outcome on our lives. The experience we both had while lost in the woods was truly unbelievable. This adventure also brought me back to my true love and I owe it all...
