

Affect Dysregulation and Disorders of the Self (Hardback)

By Allan N. Schore

WW Norton & Co, United States, 2003. Hardback. Condition: New. Language: English. Brand new Book. In 1994 Allan Schore published his groundbreaking book, Affect Regulation and the Origin of the Self, in which he integrated a large number of experimental and clinical studies from both the psychological and biological disciplines in order to construct an overarching model of social and emotional development. Since then he has expanded his regulation theory in more than two dozen articles and essays covering multiple disciplines, including neuroscience, psychiatry, psychoanalysis, developmental psychology, attachment, and trauma. Affect Dysregulation and Disorders of the Self contains writings on developmental affective neuroscience and developmental neuropsychiatry. It is absolutely essential reading for all clinicians, researchers, and general readers interested in normal and abnormal human development.

Reviews

This pdf is so gripping and exciting. It can be full of knowledge and wisdom I am just effortlessly could get a enjoyment of reading a published pdf.
