Neuware - This lesson plan offers a practice-checked set of multilateral worksheets and teaching proposals for reading in the class room Oscar Wilde's The Picture of Dorian Gray. Based on the original Lippincott's version of the novel, but useful also for all other editions, all material is copyright-free, ready to use and fully supplied with didactic directions and solution proposals. Teachers have leeway to choose from a great variety of tasks based on, and enhancing different skills of their students.
