Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. In this book, Public Speaking: The Best Tactics To Master The Art Of Speaking And Presenting In Public, you will be provided with valuable tools and techniques that will allow you to achieve success in any occasion in which you are called to speak in front of a crowd. We will discuss how to properly prepare for the occasion beforehand. This includes everything from: How to construct an appropriate outline for the speech How to properly rehearse As well as how to prepare yourself mentally for success This book also includes effective techniques and methods to utilize while you are actually speaking. We discuss: How proper posture gives unspoken assumptions about yourself to the listeners Small physical cues to avoid at all cost And what your thought process should consist of as you face the crowd Year in and year out, public speaking consistently sits at the top of the list of fears of Americans, even ranking higher than death! This is undoubtedly the result of false preconceived notions about public speaking, as well as the lack of knowledge about how to prepare and deliver an effective speech or presentation. With the material found in this book, you will be able to rise above the majority of your peers, do away with unnecessary fear and apprehension that plagues human beings at the thought of speaking to a crowd, and become a confident, effective speaker capable of persuading an audience, driving home whatever point you are attempting to make, and moving them emotionally as you describe something you are passionate about! Persuasion is a part of everyday life and will be used just about all the time especially if your line of work requires this. We...
